*Creating a more inclusive event*

# Staff exchange – next level

- UCN held its first international days in 2019 with the theme *How can we walk the talk with UNs SDG Goals?*
- *In 2020, UCN wished to continue with the success but due to COVID-19 International Days was converted to a webinar*
- *With the success of the webinar, UCN have ambitions to take International Days to the next level in terms of staff exchange. With a virtual component in the event, we will be able to reach and include more partners*

# International Days before COVID-19

- Traditional setup
  - Three days
  - Physical exchange with key-note speakers, social activities, workshops and teaching activities
  - Theme: *How can we walk the talk with UNs SDG Goals?*
  - 50 participants – primarily from Europe. But a big delegation came from Vietnam and Cambodia due to an Erasmus+ collaboration under Strategic Partnerships.

# International Days during COVID-19

- Webinar - online setup
  - One afternoon – three hours
  - Virtual event with key-note speaker, group workshops and networking
  - Theme: *Where do we go from here?*
  - 80 participants – primarily from Europe. But also from the US, Chile, Brazil and Islands. Participants who stated they could not have attended a physical event

# International Days after COVID-19

- New setup
  - Physical event with elements of virtual and hybrid
  - Event with networking and exchange of knowledge on chosen topic
  - With the virtual and hybrid components, we will moving forward be able to reach and include more partners compared to the traditional physical setup
