

Preliminary program International Days 2021 Unit Life Sciences & Chemistry

March 9	Central day (only guests and teaching staff)				
March 10	Time	Nutr. & Dietetics	Agriculture&Biotechn.	Chemistry	Biom. Lab. Techn.
	8u45-9u00	Introduction, Hanne Govaers, Unit Manager Thomas More			
	9u00-10u00	"From Mine to battery: how Cobalt and Nickel Ores find their way in a cathode material", Fabienne Gschwind, Umicore		"How can mHealth define the future of Diabetes?" Jurgen Vercauteren, Rega Institute for Medical Research	
break					
	10u30-11u00	Microbiology for space in-situ resource utilization – or "how to colonize Mars with bugs" (work performed at TU Delft and NASA), Benjamin Lenher			
	11u00-12u00	Climate, air quality and mobility, Joeri Thijs, Green Peace			
break					
	12u30-13u00	Performance Robin Rowley, storyteller, musician -The Voice Senior			
	13u00				
	13u15	13:15-14:00 Research on sustainable food reference budgets, Elena Carrillo Álvarez, Ramon Lull University, Barcelona, Spain		13:15-13:45 Al-Quds University and the possibilities for future exchange, Guestspeaker department Chemistry and Biomedical Laboratory technology, Palestine	
	13u30				
	13u45				
	14u00	14:15-15:00 New tool for determination of the risk of pediatric obesity, Ana Moreira, Lisbon School of Health technology, Portugal		14:00-15:00 Gemstones: manipulation and imitations techniques, Fraud-Analytics used in detection fraud, Fabienne Gschwind, Umicore	
	14u15				
	14u30	14:00-16:00 Tackling the Corona pandemic: interactive workshop, Dirk De Smaele, Vice President Global Head Small Molecule Development Janssen			
	14u45				
	15u00	15:00 - 15:20 Nutritional counseling at the university - connecting theory with practice, Nadezhda Borzenko, Ostrava University, Czech Republic			
	15u15				
	15u30	15:30 - 16:15			
	15u45	"Da Terra" - From an organic farm to a Food and Environmental Educational center: experience report, Joao Lima, Coimbra School of Health technology, Portugal			
	16u00				
	16u15				
break					
	19u30-20u30	The science of Animal behaviour, Lara Joseph, Animal Behaviour center, Ohio US			
March 11	Time	Nutr.&Dietetics			
	10u15-10u45	Al-Quds University and the possibilities of future exchange, Hazem Agha, Public Health Nutrition Department - Faculty of Public Health, Al Quds University, Palestine			
	11u00-12u00	Interactive Workshop : Food sustainability determinants, Ángela García González, CEU San Pablo University, Madrid, Spain			
	11u00-12u00	Interactive Workshop : Planning appropriate contents for nutrition education programs, Begoña Caneda, Ramon Lull University, Barcelona, Spain
