## ACCOMMODATION

**Please book a hotel room or B&B in the city of Herentals.** This is the easiest because there is a train station (with direct train to the airport of Brussels and easy access to the different campuses. Thomas More will arrange the transfers in between your hotel in Herentals and the campuses.

## PRESENTATIONS

### **Presentation for Tuesday 14<sup>th</sup> March**

Please prepare a short presentation of your home institution for your international colleagues.

### **Presentation for Thursday 16<sup>th</sup> March**

Please prepare a presentation or workshop for our students in teacher training on your field of expertise. You can present your university and country and share your good practices in education with our students. Please send me the title of your presentation and a short description, so that students can make a choice out of the different workshops which are offered.

Time limit: 1 hour per presentation.

The audience will consist of a mixed group of students (early childhood, primary education and secondary education). Our own colleagues and international colleagues might join as well.

**If you have another workshop on good practices or innovative approach in education you want to share with us, please let us know.**

Looking forward to welcoming you in Belgium,

Best regards
