

## Manual Wireless network for guests "TM\_Guest"

As a visitor on one of our Thomas More campuses, you can use wireless Internet access via the "TM\_Guest" visitor network. The manual below shows you how this works.

1) Connect to the "TM\_Guest" wireless network.

2) Open a browser (Chrome, Firefox, Safari ...) and start surfing. You will be automatically redirected to this page:

3) Now you have a few options:

a) select the third one "ik heb een eventcode" and enter the password "InternationalDays"

b) Select the second one "Ik wil een bezoekersaccount aanmaken" which means "Register a visitor account yourself" and proceed on the next screen.

You chose "Register a visitor account yourself"

Complete the requested details in the screen shown:

- i. Your name
- ii. Phone number: enter the mobile phone number where we can send you an SMS with your login details. If you have a Belgian telephone number, you do not need to enter a country code. Do you have a foreign number? Then select the relevant country from the drop-down list next to the Belgian flag.

- iii. iii. Company name (if private, enter "nvt")
- iv. iv. E-mail address: in the next step, this e-mail address will also become your username.

The screenshot shows the registration page for THOMAS MORE Guest Wi-Fi. At the top, the logo 'THOMAS MORE' is displayed in red and blue, with 'Guest Wi-Fi' below it. The text 'Vul onderstaande gegevens in om toegang te krijgen tot het netwerk.' (Enter the following data to get access to the network) is followed by several input fields: 'Uw naam \*' (Your name), 'Telefoonnummer:' (Phone number) with a flag icon and the number '0470 12 34 56', 'Bedrijfsnaam' (Company name), and 'E-mailadres \*' (Email address). A blue 'Registreren' button is at the bottom. Below the button, there is a link: 'Heeft U al een account? Klik hier om in te loggen.' (Do you already have an account? Click here to log in.) and a copyright notice '© Copyright Thomas More 2020'.

Then press "Registreren" which means "Register". A screen with the registered details will appear for verification. You will also receive an SMS containing the details to sign in:

**USER:<gebruikersnaam>**  
**PASS:<wachtwoord>**  
**VALID UNTIL:<geldigheidsdatum>**

Once you receive this SMS, click "hier" which means "here" at the bottom of the window to log in:

The screenshot shows the verification page for THOMAS MORE Guest Wi-Fi. At the top, the logo 'THOMAS MORE' is displayed in red and blue, with 'Guest Wi-Fi' below it. The text 'Je Account is aangemaakt. Je ontvangt zo meteen een SMS met je wachtwoord.' (Your account has been created. You will receive an SMS with your password shortly) is followed by a list of registered details: 'Uw naam:', 'Telefoonnummer:', 'Bedrijfsnaam:', 'Gebruikersnaam:', 'Activeringstijd:', and 'Verlooptijd:'. At the bottom, there is a link: 'Klik hier om in te loggen.' (Click here to log in.) and a copyright notice '© Copyright Thomas More 2020'.

In the window that now appears, enter your account details (username and password) and accept our terms of use: Finally, press “Aanmelden” which means "Sign in".

The image shows a login page for THOMAS MORE Guest Wi-Fi. At the top, the logo features 'THOMAS' in red and 'MORE' in blue. Below it, 'Guest Wi-Fi' is written in blue. The main text asks the user to log in with their username and password. There are two input fields: 'Gebruikersnaam' (Username) and 'Wachtwoord' (Password). Below the fields, there is a section for 'Voorwaarden' (Terms and Conditions) with a yellow checkmark icon and a link to 'ga akkoord met de gebruiksvoorwaarden'. A blue 'Aanmelden' (Sign in) button is positioned to the right. At the bottom, there is a link for 'Nog geen account? GA hier om te registreren' and a copyright notice: '© Copyright Thomas More 2010'.
